

Alaa Abdallat

Glasgow, UK

Email: alaaabdallat2007@gmail.com phone: 07949191912

Profile

Software Development student (NC Level 6). I like building websites and learning HTML, CSS, Java, and JavaScript. Hard-working, friendly, and quick to learn.

Education

- **Glasgow Clyde College — NC Software Development (Level 6)**, 2024–present
- **Glasgow Clyde College — Fundamental Computing (Level 5)**, completed 2023

Skills

- HTML, CSS, Java, JavaScript
- Web design (simple, clean pages)
- Problem solving, teamwork, communication
- Logo/graphic basics

Projects

Super Smooth Website (group project)

- Planned pages with wireframes
- Chose colours/logo and wrote page content
- Made a simple, easy-to-use layout

Experience

Volunteer (school, home country)

- Helped run activities for orphan children
- Teamwork, care, responsibility

Awards

- Web Design award (college)
- Academic excellence award

Goals

Become a software/web developer and keep learning. One day, create a website that helps people learn coding easily.

Interests

Swimming, drawing/logos, making websites
